## Farm Policies

To preserve the beauty of the orchard, and to respect our property, you must agree to our farm policies before entering the orchard:

- **PLEASE PICK ONLY IN DESIGNATED AREAS** – Check in with our staff before beginning to pick. Not all varieties are ripe at the same time. Please respect areas that are roped off or not open to the public. One of our staff members will be happy to direct you to our current picking areas.
- **You pick it, you pay for it!** Everything you pick must go in your bag. Please watch your children! Help us prevent waste, and do not throw or drop fruit on the ground.
- **Respect our trees!** Be gentle when picking – do not shake the branches or trees.
- **Help us keep our orchard clean and beautiful.** No littering!
- **Pets must be on a leash at all times!** Pets are not permitted inside our store or on the hayride, and please clean up after your pet.
- **No Smoking. We are a non-smoking farm.**
- **No Trespassing after hours** – violators will be prosecuted.
- **Any violators of the above policies will be asked to leave the property.**

**Thanks for visiting Carter Mountain Orchard!**
